#### Sheriff Dorlan Advertises Sale at Auction of Half of Steam Yacht Edgewater.

The famous potato "corner" of two rears ago is recalled by Deputy Sheriff Peter Doolan who has given notice of his intention to sell at public sale a half interest in the steam yacht Edge-water, now owned by Edgar D. Chit-tenden president of the National F rtilizer Co. and residing at the Stratfield, to satisfy a judgment for \$1,538.71 in favor of the E. L. Cleveland Co., pototo dealers of Maine.

Chittenden was one of the Bridge-

porters who set out to get a corner in potatoes. Their attempt to corner the market was successful, but they had other forces to contend with. An un-looked for shortage in cars made shipment slow. The loss was very great. The Maine firm delivered priatoes in large lots to Chittenden. The yacht Edgewater is owned equally by Chittenden and Edward Gilman of Black Rock.
